Dear Mr. David Gussack,

Thank you for your participation in the Conflict-Free Sourcing Initiative's (CFSI) Conflict-Free Smelter Program (CFSP). The CFSI is an initiative of the Electronic Industry Citizenship Coalition (EICC) and the Global e-Sustainability Initiative (GeSI).

The CFSP's Audit Review Committee (ARC) has reviewed the results of Exotech's CFSP Supply Chain Transparency Smelter Audit for Tantalum conducted at the following location and date:

1. 1851 Blount Road, Pompano Beach, Florida
01/13/2015

Based on such review, the committee concludes that Exotech continues to be compliant with the CFSP Tantalum Protocol. The review covers only the facilities in the above list and expires one year from the date of the assessment.

Thank you for participating in the Tantalum Conflict-Free Smelter program.

Sincerely,

CFSI Conflict-Free Smelter Program Audit Review Committee
